

ANAK BENOA

sailing trimaran charter

Anak Benoa is a **8.5 m sailing trimaran** built in Bali and completed in **2025**. Designed for stability, comfort, and authentic sailing, she's the perfect vessel to explore the **South Gili** islands.

Vessel specifications: Length | **26 ft / 8.5 m**
Beam | **8 m**
Max Speed | **8 knots**
Engines | **2 x 20 HP Suzuki**
Crew | **2**
Guests | **max 6**

Vessel facilities: outdoor shower, automatic toilet, side nets for lounging, bean bags, icebox, dry bags, snorkeling gear, speaker

The vessel is equipped with **modern sailing rigging** and always raises the sails whenever possible. For smooth cruising between stops, the engines are used as needed.

Onboard experience

Anak Benoa has a protected cockpit which in normal conditions remains dry. Guests may experience occasional water splash on the side nets. We strongly recommend using the provided dry bags for valuables and advise extra care when using phones on the nets to avoid dropping them overboard. Where possible the vessel can come all the way to the beach. If corals or shallow reef prevent beach landings, we will use the nearest mooring and a small tender to transfer guests to shore, for example at Gili Asahan.

Crew on Anak Benoa are two people dedicated to the vessel. Captain Nas is a lifelong skipper from the South Gilis who knows the local waters and will choose the best route for the day while accommodating reasonable guest requests. Deckhand Anton assists guests during boarding and on deck, serves drinks, and is available to answer questions throughout the trip.

Children under 14 must wear a life jacket at all times while onboard. Please use the dry bags provided for any valuable items and take particular care when using phones on the nets.
